§24–105.

(a) Each member:

(1) may appropriate funds to meet the expenses of the council; and

(2) may make nonmonetary contributions, including personnel services, use of equipment and office space, and other necessary services, as part of the member's financial support.

(b) A council may accept grants and other monetary or nonmonetary contributions from the federal government, the State government, any other governmental unit, or any private source.
